Startup Pre-accelerator

Apply now

Main Focus

Live Workshops

Digital Materials

Practical Validation

1-on-1 meetings

Experience Sharing Events

Rockit Pre-accelerator powered by FIRSTPICK is a 7-week-long program that consists of both on-site and online learning, mentoring & events. The content was carefully selected to meet needs of idea or MVP stage startups and help them practically validate their ideas in the fastest way possible.

Our Partners

firstpick

The content partner is FIRSTPICK, a high-speed VC fund and accelerator for tech startups in the Baltics. The FIRSTPICK team has over 10 years of experience working with and supporting early-stage startups. In the past 1,5 years alone, they have accelerated over 50 startups through well-curated acceleration programs and made 20 investment into Baltic startups.
